

QUALITY POLITICS

LAPE S.A. is a company dedicated to the production and conditioning of elastic bandages, aseptic gauze conditioning and cotton bandage conditioning, manufactured in our plant in the Breña district.

We are committed to:

- Ensure the manufacture of products meeting the most demanding quality standards.
- Fully satisfy the needs and expectations of our clients, working with trained personnel.
- Maintain the Quality Management System, in accordance with the requirements of ISO 9001: 2015 and ISO 13485: 2016.
- Guarantee the continuous improvement of the Quality Management System.
- Guarantee compliance with national and international regulatory requirements, as well as other legal and / or contractual requirements applicable to the line of our business.

PEDRO ÁLVAREZ FERNÁNDEZ
